

# DOES YOUR HORSE NEED...

- \*Routine Physical
- \*Vaccines
- \*Dental Care
- \*Lameness Exam
- \*Chiropractic
- \*Massage Therapy
- \*Acupuncture

## SAVE \$ MONEY \$ SPLIT A BARN CALL!

If you are interested in splitting a barn call, simply call and schedule the appointments with us (we will need to know who needs to be seen and what needs to be done in order to allow for the proper amount of time) and Cedarbrook Veterinary Care will split the barn call - the more people the less the farm call fee will be!

*Dr. Hannah performing chiropractic.*

*Happy clients!*
